Dear Families and Friends,

We are delighted to announce that we are almost finished with the renovation of Dogwood Lane. The intent is to re-occupy the space on Monday, November 26th. As the space is opened up, we will transition all residents on Rosewood Court to Dogwood Lane. Roommate assignments will remain the same. We will then take the entire hall of Rosewood out of service for an estimated 4 weeks. I'm sure you've noticed the Dogwood renovation didn't take nearly as long as Cherry Trail. We expect the same 4 weeks of renovation on Rosewood Court. The last phase of renovation, coming in January, will be painting and re-flooring from the lobby to the nurses station and to the beginning of each hall. The final phase should be 3 weeks, with a goal of total completion by the end of January.

We understand this will seem like a very arduous process. Our goal is to continue to provide the same great care in a new and improved environment in the safest and most efficient manner possible. We appreciate your understanding.

If you have questions or concerns, please contact me at the number below. We will call with an update as soon as we determine an official start date.

Respectfully,
Ava Emory, BSN, RN-C, LNHA
